The ABC's of Life

{Uu} –**Utilize Your Network** –Never underestimate the power of networking. There's an old saying "It's not what you know, it's who you know.". That great law of six degrees of separation is true. If you are doing what you should be doing, you are only six degrees away from any person or anything you need to access to – utilize your network. *Byron V. Garrett*

Message from Superintendent Dr. George Mannon

Another 185 Positions Cut from the Torrance Education System. Added to the 258 already terminated, this will total 443 teachers and staff terminated in the last two years. Please read Superintendent Dr. George Mannon's letter attached. Then we ask to you take action by contacting your local representatives. California is now ranked 50th in the nation for education spending per student.

“Children are the living messages we send to a time we will not see.” *John W. Whitehead*

It is time we invest in our future.

Congratulations to **Jai Won Shin** for earning the Most Improved Award.

South Area Music Festival

You Can hear the difference. Every year we are treated to the South Area Music Festival, where the Calle Mayor Bands, Richardson Bands and South High Bands and Drum Line entertain us. This year was no exception. From the Calle Beginning Band's Rockin' La Bamba, to the Wind Ensemble playing Rhythm Stand (accented by the use of pencils striking the music stands in rhythm with the instruments), to the combined Calle Concert Band and Wind Ensemble with the piece "MARS" and the trumpet fanfare – the Calle Bands truly rocked the house! But the true accomplishment and highlight of the evening is always the final number, which has all members of all of the bands playing together – all 500 plus of them! This year our Maestro Mr. Tim Nail directed the piece "Colonel Bogey" for those not familiar with this piece – think theme song to the "Bridge Over the River Kwai".

Awesome job Calle bands and Mr. Nail!

Progress Reports Went Home Last Friday, March 5th

BOARD OF EDUCATION
DON LEE
ALBERT MURATSUCHI, Esq.
TERRY RAGINS
MARK STEFFEN
MICHAEL WERMERS

SUPERINTENDENT OF SCHOOLS
GEORGE W. MANNON, Ed. D.

March 5, 2010

Dear Community Member,

At Monday night's Board meeting, the TUSD Board of Education, with tremendous frustration, approved \$27.6 million in reductions and one-time balance transfers over the next two budgetary years. Grappling with an economic crisis that has crippled school districts all over California, the TUSD Board has characterized these cuts as draconian. The Board was forced to cut another 185 positions, on top of the 258 that have already been cut over the past two years. The 185 positions being cut in this round include, 121 K-12 teachers, four high school counselors, one adult education teacher, nineteen full-time para educators, one elementary assistant principal, 0.4 site clerical staff, and 38.6 central administration personnel. Of the 38.6 central administration staff, six are administrators, 1.6 are supervisory/confidential staff, one program specialist, nine classified clerical positions, six maintenance/operations staff, ten classified custodians, and five classified campus security personnel.

In addition to personnel cuts, TUSD has made significant reductions in programs and services that are essential to manage a successful school district. In the past two years the District was forced to cut summer school, except for students who needed assistance with the California High School Exit Exam (CAHSEE). The District also significantly reduced funding for all Tier 3 programs, while some were completely eliminated. Additionally, some of the impacted programs include Deferred Maintenance, GATE, Instructional Materials, and the Arts and Music Block Grant program. In this round of reductions, TUSD will be forced to reduce coaching stipends, will allow juniors and seniors to take fewer classes if they are on track for graduation, is offering early retirement, and eliminating our Child Welfare and Attendance department. Furthermore, District administrators are still in union negotiations regarding five mandatory furlough days in each of the next two budgetary years for ALL employees.

The negative impacts of these reductions and cuts will be adversely felt by our 25,000 students in their crowded classrooms and by the drastically fewer programs available. Many of the services and resources our parents and employees have come to expect from our District will no longer be available. In this economic crisis everyone loses, especially our students.

As I have said many times, it is no longer acceptable for our state representatives to say they are 'friends of education' if they are not willing to fight to preserve our funding in Sacramento. It is no longer acceptable for the Governor to claim he is 'protecting' education when his budget proposals are unrealistic and impractical. It is no longer acceptable for the Governor and state legislators to play their political games while our students and employees suffer.

Parents, teachers, employees, and our community must continue to make phone calls, write letters, and send emails to our representatives in Sacramento reminding them of their responsibility to protect the future of our students. We must demand that they represent our interests and present viable budget solutions.

I am impressed with the dedication and tenacity of our students, parents, educators, employee-groups, and community members and leaders, who came out on March 4th and collectively took a stand to protect education funding. I will continue to provide budget updates to our stakeholders as we move forward in the budget process.

Sincerely,

George W. Mannon, Ed.D.
Superintendent
