

**Calle Mayor Middle School  
Special - eYapper – June 20, 2010**

A Message from Mr. Sheck:

Mr. Sheck was notified on Friday that there may be construction and closure of the street that Calle's drive through drop off and pick up empties into (Juan Street), on Monday, Tuesday and Wednesday this week, between the hours of 9 a.m. and 3 p.m.

This will impact pick up on all days and drop off on late start Tuesday.

Therefore we HIGHLY encourage you to arrange other drop off and pick up locations with your student.

Please consider the safety of your child when doing this.

PLEASE DO NOT allow them to exit your vehicle in the middle of the street or to cross Calle Mayor anywhere other than at the signal.

Happy Father's Day and look for your regular eYapper tomorrow.
